Product name _____

_____

Total L in blend _____

Source vineyard OR winery details					**Processing winery(s) details**					
Member No.	**Site name**	**Vintage year**	**Litres or percentage**	**If blending/including bulk wine, % component of bulk wine that is certified (only answer if relevant)**	**Member No.**	**Site name**	**Variety**	**Litres or percentage**	**Batch no.**	**Comments (use this section if different parts of the *process** took place at different sites)**

Process* means any part of the wine production process which requires energy or water or creates waste or wastewater. The terms ***Processing* and ***Processed*** have corresponding meanings. Note – Bottling and packaging of wine which occurs at a non-winery site is not considered Processing. Storage of wine must take place at a ***Certified Winery***.
